

**Plan Your Page**

For your first assignment you will need to plan the page that you will be building in this class for your assignments:

Your Name  
WEB110

**About You**

This is where you will write a paragraph about yourself telling the world where you are from what you like to do and what you are thinking about doing with your life.

**Contact**

[email@server.com](mailto:email@server.com)

- 1) Your **Plan Your Page** assignment should contain: your name, the class, a (representation of a) picture, a little about you and how to contact you via an email address.
- 2) This shall be done in a standard text editor and printed out to be turned in as your **Plan Your Page** assignment.
