**Today's Date**

Your second assignment will contain today's date within a sentence on your page.

1) Your **Today's Date** assignment page should contain:
   A) The Day of the Week
   B) The Month
   C) The Numerical Day
   D) The Year
2) This shall be done in the code editor of your choice and printed out to be turned in as your **Today's Date** assignment.
